

LaFayette Lifetime Achievement Award

The Awards Committee felt that there should be an award for someone with at least 25 years of service to Scouting. This award would be not for what they have done in one year but over a period of time.

We sometimes fail to recognize those experienced Scouters who devote many hours to scouting without ever being seen (they work behind the scenes). As many of you know it is the behind the scenes work that keeps the unit, district and council going at times

The prerequisites for this award are:

Must have a minimum of 25 full years in Scouting as an adult (time as a youth does not count.) At least half of this time must be working directly with the youth.

Must have done noteworthy service for a unit or District over an expanded time. (Does not mean it must be where everyone can see it).

Service to the Community. (Membership in other organizations i.e. Chamber of Commerce, WOW)

Service to church or synagogue. (Not just go every week)

This award is based on what you have done in Scouting. The work in other organizations and what you do in your church count for only about 10%. This leaves 90% for service to the youth of our country.

LaFayette Lifetime Achievement Award
