

## Cumberland Scout Shop News

It is almost time for Schools to be out and the summer to begin. This is also the time of year we are doing our last Pack meetings. We recognize all the achievements that the Scouts have completed and we also move them up to the next Rank level. We have all your books, neckerchiefs, slides and much, much more. Not only are the Scouts moving up to the next Rank but it is also a New Cub Scout Program. How exciting!!! I know the Scouts will have a Great time with this New Program.

But wait, what about all the hard work that the Leaders and parents have put in??? They need to be recognized as well. A nice "Thank You" gift would be appreciated. We have Plaques, Mugs, Keychains. You can put together scrapbooks with all the Dens in them. You are limited only to your imagination. And don't forget about your Den Chiefs. They have worked hard all year as well. \

We also have a large assortment of Tee Shirts for summer Camp, some as low as \$7.99. We have sunscreen, bug spray, Afterbite (just in case), raingear, uniform shorts, beach towels, water bottles and of course the ever important Merit Badge Books!!!

And Cub Scout Packs, don't forget the Summer Time Activities for your Scouts. We carry the Pins, Certificates, and Ribbons. Day Camp is a Great start to the next year so let's get out there and have some FUN!!!

Looking forward to seeing you in the store soon!!!

As always, we strive to make your shopping experience a Great one.
